

Staff Physician Family Medicine

This organization is committed to providing quality health services to all. We are a non-profit, Federally Qualified Community Health Center (FQHC). In addition to sick care services, we provide preventive care, including screening, diagnosis and management of chronic illnesses such as diabetes, asthma, and heart and lung disease for the entire family. We provide highly efficient and cost-effective care, which reduces or eliminates the need for more costly care such as emergency room visits and avoidable hospital stays.

Services include: Dental Services, Family Practice, Women's Health, Gynecology, Men's Health, Pediatrics, Geriatrics, Labs, and Physicals for School / Sports/Employment, Counseling/Mental Health.
